Bring your passion
to APU!

Connectivity x Sustainability x Traceability

Call for participation in the

Asia Pacific Summer Camp 2019

On site **Sep.17 - Sep.20**

Innovation x Diversity x Entrepreneurship Education Alliance

* This program is running in English.

Theme: "Design our food and health in future" Connectivity x Sustainability x Traceability

The Innovation x Diversity x Entrepreneurship Education Alliance (hereinafter referred to as the "IDEA") consortium comprising Kyushu University as leading university and Ritsumeikan University, Nara Institute of Science and Technology (NAIST), and Osaka Prefecture University (OPU) as partner universities has been selected by Japan's Ministry of Education, Culture, Sports, Science and Technology (MEXT).

As a collaborative event of this IDEA consortium, it plans to hold a Summer Camp every year.

Participants in the program will take on the challenge of identifying and solving problems related to our food and health in future through special lectures, fieldwork in Usa and Oita City, group work and presentations over the camp's three-night, four-day duration.

An overview of the camp program follows. Interested students are asked to carefully check the below before applying.

<Program Overview>

1.Dates: September 17–20, 2019 (three nights, four days)

2.Location: Ritsumeikan Center for Asia Pacific Studies ("RCAPS") and AP House at APU

Access: <http://www.apu.ac.jp/home/contents/access.html/>

3.Participants: Students predominantly from institutions participating in IDEA

(Kyushu University, Ritsumeikan University, Nara Institute of Science and Technology, Osaka Prefecture University, etc.)

4.Number of Applicants: approx. 40

5.Language of be used: English

6.Cost to Participate: None (For Kyushu University students, the cost of transportation to campus will be covered by QREC. For the others, please contact to appropriate department of the university where you belong to.)

7. Deadline of application: July 31(Wed.)
