

The 5th kyusoukai fund

General & Re-enrollment Support Course

Recruiting
students

eligible for the grant

1 million to 2.5 million yen

Start a business
that will change
the world.

I want to create value that does not yet exist in the world.
I want to tackle social challenges through my own initiative.

A grant to support such students.

Upon selection, 1 million yen is awarded, with up to 2.5 million yen provided depending on activity.

Prototype development, customer interviews, capital funding

—the funds can be used freely to advance your challenge.

If selected, you will become a Kyusoukai Fellow, gaining access to an entrepreneurial community and you can shape your own business while receiving practical support.

If you're ready to step into the future, test yourself here.
